

# Alan Carter Country Répertoire au 4-02-12 (Liste non-exhaustive)

**\*\* Alan fera son programme au maximum en fonction des danses que vous souhaitez mais ne fournit pas de "Playlist" pour ses prestations (la "Playlist" est plutôt le support des D.J.)**  
Il annonce le titre de chaque danse, ce qui est beaucoup plus convivial et lui permet une plus grande souplesse et contact avec son public !  
Il enverra la **liste alphabétique** des titres qu'il a choisi pour votre concert à *l'organisateur* s'il en fait la demande.  
**N'hésitez pas de demander à Alan vos titres préférées avant sa prestation ou pendant les pauses !**  
Merci de votre compréhension.

*Si un titre manque, merci de m'envoyer son nom par mail. Je le rajouterai à ma liste de "souhais" !*

**\*\*Nouveaux titres du mois surligné en jaune\*\***
